

# Notices to visitors

## Services that are suspended until further notice:

- Hall, Studio, Café and B1F gallery
- Extended opening hours on certain days of the week
- Gallery Talks, Workshops organized and hosted by the museum
- Discounts such as *Silver Day* and *Family Day* that attract crowds
- Group visits
- Library by appointment only
- Hand dryers in restrooms and water coolers in the museum

## Requests to visitors:

- Temperatures will be taken at the entrance to the museum.  
Visitors who are found to have a fever of 37.5°C or higher will be refused entry.
- Please practice good etiquette by wearing a mask, avoiding coughing near others, and washing and disinfecting your hands. Visitors without masks will kindly be refused entry.
- Please follow to keep Social Distancing inside the museum.

## Measures taken by TOP MUSEUM to prevent the spread of infection:

- Staff members conduct daily temperature checks and confirm that they are in good health.
- All staff members wear masks, faceguards, and gloves as necessaries.
- Acrylic panels installed at the reception counters and so on.
- Disinfectant placed at the entrance to the museum.
- Thorough cleaning, disinfection, and ventilation inside the building.
- Restriction of the number of 70 visitors in order to prevent overcrowding.
- Rearrangement of seats in lobbies and other areas to keep *Social Distancing*.
- Elevator capacity is 4, people with disabilities, elderly people, and pregnant are given priority.
- Coordination with the public health center if visitors or staff members develop symptoms.
